Cole Supplies is a proudly Indigenous owned Australian wholesaler, trusted by the country's leading brands and businesses to deliver quality health and safety supplies. With a proven track record of giving back to the community, and sustainability at the forefront of our business, Cole Supplies is focused on making a difference.

DuPont™ Tyvek® is 100% recyclable. It is breathable, yet resistant to water, abrasion, bacterial penetration and aging, making it ideal for a wide variety of applications across diverse industries.

DuPont™ Tyvek® may resemble paper, but its performance is anything but paper-like. Inherent microbial penetration resistance—preventing hazardous materials including asbestos, mould, fiberglass, and lead from passing through the material.
